Here is what he says about his visit to the president. "We had yesterday a session in Washington with the president. He shut out everybody, and talked about the Indians for a whole hour. I never heard from any man a more earnest response to the best sentiments we could utter than President Cleveland." He said: "You can talk about the different plans, but I tell you there is nothing that will elevate the Indians but the grace of God. Nothing but christian religion, will ever help us solve this problem.' "I said, you talk like a Methodis exhorter." ## Now is the Time to Buy a Home!

Don't wait until the return of good times, when confidence will be restored, prosperity return, prices go up and a general boom spread all over the land. Buy now; while times are hard, money scarce, prices low and general distrust prevails.

Real estate in Chariton County is now cheaper than it has been for many years. The present low prices of land will not remain so long, and postered Patter those who think of purchasing land in this county would consult their own interests by looking over the long list of bargains I have registered for sale. All real estate registered for sale will be advertised in this

column until disposed of, without extra expense to the owner. Persons having real estate for sale in Chariton County should register the same with O. F. Smith, giving a brief description of the property and the terms upon which the same can be bought. By so doing attention will be drawn to the property by an advertisement in this column, and thus greatly increase the chances of a sale.

Special attention will be given to paying taxes, furnishing informa tion in regard to title, value, quality and location of lands in Chariton County The following list contains some of the many good bargains I am now offering. For full particulars concerning terms, etc., call on me at my office, or address me by letter. All enquiries promptly answered.
